

Triad Chart- Mixing Grays

Primary Colors

Choose three primary colors and paint them in the boxes below:

Red

Blue

Yellow

Secondary Colors

Using the above primary colors mix secondary colors and paint them in the boxes below:

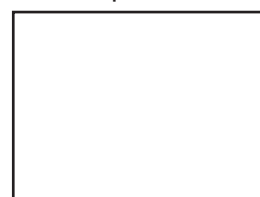

Green

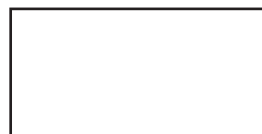

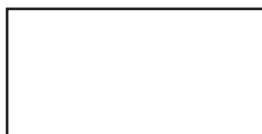

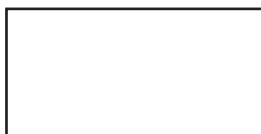

Orange

Purple

Using the above complimentary colors mix grays and paint them in the boxes below. Example: In the boxes below the red and green boxes, mix differing amounts of green vs red to achieve varying hues of gray.

Notes:
